In celebration of the legendary imprint founded by Marvel's CCO Joe Quesada, a new crop of talent stands poised to tell a groundbreaking story across the Marvel Universe!
In the cemetery, the blind man does not know who he is, or why he has come to this particular grave at this moment.
He doesn't know the burly police officer with the wild story who has approached him.
Or the strangely intense man who sits in the rear seat of the patrol car, his eyes flashing green.
But all of that is about to change.
Because Matt Murdock is beginning to remember…
In a colorless world without heroes, the spark of light…must come from the dark…
